

## WHAT IS CLAIMED IS:

1. A cat litter product comprising composite agglomerated granules formed of at least (i) particles of an absorbent filler material, and (ii) an effective odor controlling amount of silica gel particles.
2. The product of claim 1 wherein said granules are substantially in the size range of from 30 mesh to 6 mesh.
3. The product of claim 1 wherein substantially all of said silica gel particles are minus 20 mesh in size.
4. The product of claim 3 wherein 50% or more of said silica gel particles are minus 200 mesh in size.
5. The product of claim 1 wherein said filler material comprises clay.
6. The product of claim 5 wherein said filler material is bentonite clay.
7. The product of claim 6 wherein said bentonite clay is sodium bentonite.

8. The product of claim 5 wherein substantially all of said particles of said clay and said silica gel particles are minus 20 mesh in size.
9. The product of claim 8 wherein the majority of said particles of said clay and said silica gel particles are minus 200 mesh in size.
10. The product of claim 1 wherein said silica gel is Type C silica gel.
11. The product of claim 10 comprising from 1-70 wt. % silica gel particles.
12. The product of claim 11 comprising from 1-10 wt. % silica gel particles.
13. The product of claim 12 comprising from 3-5 wt. % silica gel particles.
